Head Umpire Report:

Please when you are letting us know about re-schedule games that you include me in the emails. I do not look at the calendar all time, so if I am not told I will not get you umpires.

Please when you are rescheduling games give me a few days so that I am able to find or move around umpires.

Remember to treat all of the umpire (no matter if age with) with respect since they are doing this as their job.

Equipment Manager Report: Bob Miscuda

Two girls' teams never picked up scorebooks or ice packs, they will be put in concession stand for pick up.

Concession Stand: Debbie Frabotta

Check calendar for assigned dates your team is to work. Most teams have 3 dates. Please have your volunteers there between 545 to get prep going. Open at 6pm. No volunteers, coaches pulled to work the stand. No coaches, umpires will be pulled from field.

Fundraising: Debbie Frabotta

Fields: Jim Clark

There have been a lot of rain outs, the schedule constantly changing. Check calendar everyday, practices will be bumped for games. Contact Tom for changes in game or practice schedule. 4 coaches verified home schedule errors! Please do your best not to be confirming changes then make more changes to the confirmed change.

Rain out line is active (440) 865-9611 usually after 4pm. Facebook post, website (slowest to update).

Rake out fields after all practices and games. Rakes are in closet behind field C, code is 440 (area code), code at Belden is 2178.

Boy Scouts painted the storage shed, they still have Belden to do.

Do not use the field dry that is kept in storage shed, it is expensive and to be used sparingly by the grounds crew. If a field is lined, do not go onto the infield. Field assignments may be different than what is listed on the calendar. Please refer to the white board on the back of concession building.
